

Crowley Lake Fish Camp, Inc.
P.O. Box 1268 Mammoth Lakes CA 93546

December 1, 2009

Happy Holidays from all of us at Crowley Lake Fish Camp.

Enclosed is your 2010 Crowley Lake Fish Camp information packet. Please read this letter carefully as we have made some changes to our procedures.

We are gradually moving away from a “paper-based” annual mailing and toward an “email-based” annual mailing. We plan to have the 2011 annual mailing be completely email based. We realize this is a big change and will strive to make this as easy on you as possible.

Please provide us with a correct email address on your registration materials so that we may update your record. We realize that some of our customers may not have internet/email access. If you are unable to bribe your grandchild, niece, nephew, neighbor kid, please let us know and we will make special arrangements to provide you with registration materials via old fashioned mail.

We have not included the registration forms with the letter. Instead we would like to direct you to our newly designed website to access the registration forms. Our web address is www.crowleylakefishcamp.com. Please go to the “Forms” page to find the form(s) you need. Simply print the form, fill it out, and mail it to us at the address above. Please remember to enclose a self addressed, stamped, envelope with your completed forms, so that we can return your passes to you.

We are happy to announce that we will now be able to accept credit cards during the winter reservation period. If you would like to use your credit card, please go to the “Forms” page on our website and download the credit card authorization form and include it with your registration documents.

Please be advised that Crowley Lake Fish Camp does not allow season slip holders to sublet their slips. Only the boat/owner assigned to a specific dock space is allowed to moor their boat in that dock space. There will be no exceptions allowed without prior management approval.

Boat owners, please make sure to place your sticker on your boat where it is visible at all times (not covered by your boat cover).

We will begin taking boat rental reservations on Monday, January 4, 2010. Please call Debbie at (760) 935-4301 to reserve your boat. **All boat rental reservations must be made over the telephone.**

Our winter office hours beginning Monday, January 4, 2010 will be Tuesday, Wednesday, and Thursday 8 AM – 5 PM. If you have any questions before Opener, call Debbie beginning January 4, 2010 at (760) 935-4301.

All boats entering Crowley Lake Fish Camp are subject to a Quagga Mussel inspection as mandated by the Los Angeles Department of Water & Power. Please check out our website for details (www.crowleylakefishcamp.com) or call for an information sheet.

Don't forget to check out our website for the latest fish reports and other important information.

The 12th Annual Crowley Lake Fish Camp Opening Day Big Fish Contest will be held on Saturday, April 24th. The Fred J. Hall Memorial Trophy as well as cash and prizes will be presented to the winners. Good Luck!
